RENAISSANCE REVIEW

Imagine the Look, Create the Dream...

Take care of your brown spots before you head north!

PHYSICIAN ADMINISTERED

You've had your fun in the sun, now it's time to wash those brown spots away. It's not too late. The Broadband Light (BBL) office treatment can be done before you return home. You can even fly out the next day.

BBL broadband light energy can be used to treat age spots, small facial veins (telangiectasias), rosacea, solar lentiginos (freckles), brown spots, and poikiloderma. All of our laser treatments are performed by board certified physicians. Call now to see what BBL can do for you!

Complimentary Make-up Consultation with our Aestheticians

Spring 2007 Jane Iredale Color Collection Debut!

Our Face Spa aestheticians, Sharon and Brandi, will be training at the upcoming Jane Iredale 2 Day Boot Camp. They will learn the best kept secrets from the experts and the new spring 2007 color collection.

Jane Iredale is the skin care make-up leader in mineral cosmetic products and post-operative camouflage make-up. Call today to schedule your complimentary make-up consultation. Look new and refreshed this spring!

Signature Skin by Dr. Maloney now available!!

Signature Skin is a new and unique moisturizer with hyaluronic acid and liposomes, exclusively available through the Aesthetic Surgery Center. Dr. Maloney has been scientifically formulating and developing this product for the past 4 years. It is a revolutionary anti-oxidant therapy with isoflavones.

This anti-irritant, anti-inflammatory cream restores sun-damaged skin, smoothes wrinkled skin, and regenerates collagen. Please call the Aesthetic Surgery Center at 239-594-9100 for more information
