RENAISSANCE REVIEW

Imagine the Look, Create the Dream...

Plump Up with Radiesse Before Heading North!

Radiesse is one of the longest lasting temporary injectable fillers used for treating folds and depressions on the face. It lasts about one year.

Between April 1st, 2009 and June 30th, 2009, one syringe of Radiesse is priced at \$800, a \$300 savings! In addition the syringe size has increased from 1.3 cc to 1.5cc, which for most people, is enough to treat both sides of the face. Call today for your injectable treatment, to look your best before heading up north for the summer!

Take Advantage of Our Early Summer Face Spa Specials!

Good through September 30, 2009

The Face Spa at The Aesthetic Surgery Center is a specialty spa designed to provide the most therapeutic services and skin care products available. Get ready for summer with our State of the Art Laser Hair Removal

\$100.00 savings on packages through June!

Laser hair removal is the ideal way to get ready for the summer beach season. The Palomar hair removal laser allows fast coverage and quick treatments. Popular treatment areas include the face, (except around the eyes), upper lip, neck, underarms, bikini line, legs, chest, and back.

Typically, several treatments will be necessary for permanent hair reduction. The number of treatments required varies from individual to individual. Kay Case, PA-C, will determine the very best treatment package and treatment schedule that will optimize your results. For a complimentary consultation, please call Sheila at: (239) 594-9100.
