Learn about in-office fat transfer!

Fat transfer or fat injections are effective at treating hollow areas of the face, or restoring volume to aging faces. This procedure can be performed in the office or with anesthesia at the surgery center.

Fat is usually taken with a small liposuction cannula from the belly area or love handles or thighs, and then injected into the face. If you would like to watch a surgical video of the procedure, please check out website. Please contact us at 239-594-9100 if you would like to schedule a consultation.

Take advantage of our Summer Injectable Specials!

Now Through September 30, 2010

Radiesse
Radiance FN

Take advantage of our summer specials, good through September 30, 2010. When you have a Botox Cosmetic treatment OR an injectable filler performed, you will receive a free facial treatment (\$95 value) with one of our licensed aestheticians.

If you have a Botox cosmetic treatment AND an injectable filler on the same day, you will be able to upgrade your free facial to a free microdermabrasion (\$150 value) treatment!
