Treat your loved one to our Valentine's Day special!

Treat your loved one to ultra smooth skin with a healthy glow for this Valentine's Day! Dermaplaning (or manual exfoliation with an "Epiblade") is performed followed by a light salicylic or lactic acid peel. This removes dead skin cells and promotes the regeneration of new skin. A rejuvenating mask is then applied and facial massage is performed by one of our licensed aestheticians.

During the month of February, Dermaplaning will be offered for a special price of \$95 (normally \$125). This is the perfect Valentine's Day gift for your loved one. Please call 239-594-9100 to take advantage of this limited time special.
