## RENAISSANCE REVIEW

Imagine the Look, Create the Dream...

### Signature Skin Holiday Package!

Signature Skin Cleanser and Signature Skin cream are a team. Signature Cleanser is an evolutionary product that combines the benefits of a Glycolic cleanser with a delivery system that enhances the cleansing, exfoliation and moisturizing effects, while virtually eliminating skin irritation. The advancement is the use of an extract from an algae harvested from the northern coast of Brazil. Please call, come in or e-mail your order to take advantage of this offer and the most advanced skin care available.

Dr. Maloney has developed this product to keep pace with the restorative and anti aging benefits of Signature Cream. One cleanser works for all skin types. Using Signature Cleanser and Signature Cream each twice a day will create a healthier and more attractive skin. Until 12-31-2011 Dr. Maloney has created an introductory package of both Signature Cleanser (\$30) and Signature Cream (\$120) for \$75.

#### Wednesday, December 7th

Artefill is the longest lasting FDA approved wrinkle filler. Once injected deeply below the wrinkle, the collagen in Artefill acts as a temporary filler for immediate wrinkle correction. As your body absorbs the collagen over time, the microspheres remain in place and your body's own new collagen is deposited on the surface of the microspheres. Unlike temporary fillers which are made with materials that are absorbed by the body over the course of a few months, Artefill's unique microsphere-enhanced collagen delivers a lasting solution. An initial skin test in the forearm must be performed to rule out an allergic reaction. Then, at least one month later, the first Artefill injection can be performed in the face. Most patients do another injection session 3 to 6 months after the first, followed by additional filler as needed 1-2 years later, for a gradual long term build-up effect.

The normal price for Artefill is \$1,500 per syringe. On December 7, 2011 only, the first syringe will be priced at \$1,000, the second at \$900, and the third at \$800. Skin tests (which are complimentary) must be completed by November 7, 2011. Please call us to schedule your skin test and reserve your space for December 7, 2011. This special price is good for that date only.
