RENAISSANCE REVIEW

Imagine the Look, Create the Dream...

Introducing the New "BOTOX® Cosmetic Benefits Card"

Because of the high volume of BOTOX® Cosmetic patients in our practice, The Aesthetic Surgery Center is one of 6 Platinum account offices in South-west Florida. Allergan, the maker of BOTOX® Cosmetic, has offered the new BOTOX® Cosmetic Benefits Card to its Platinum offices, which means that this is now available to you!

How it works: Any new or existing patient who comes in for their next BOTOX® Cosmetic treatment will receive a benefits card. You will then have to go online to www.botoxcosmeticcard.com to register your card. If you then have another BOTOX® Cosmetic treatment at our office between 3 and 6

months from the date of your last treatment, your card will be swiped on that day and used to pay for \$25 of your bill. You will be responsible for the balance (your total bill minus \$25). The card will automatically reload with another \$25 for your subsequent treatment. If you have any questions, please call 239-594- 9100.

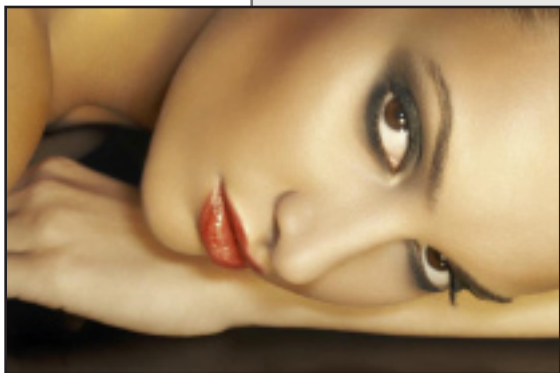

MD Lash Factor featured on FOX news

MD Lash Factor was featured on Thursday, November 6th, on FOX news at 10pm. During this segment, this eyelash conditioner was highlighted, and our own Brandi Griffith and Dr. Anurag Agarwal were interviewed.

This is a product that is designed to promote the appearance of longer, fuller eyelashes after two months of application. 1 tube lasts an average of 6 months, and costs \$140. This is an exciting new product that is now available through our office to highlight your eyes and enhance your femininity.

November and December Specials on Permanent Makeup!

Permanent makeup is the art and science of implanting color into your skin. It is the ideal, low maintenance way to highlight the eyes, eyebrows or lips on a long term basis. Lisa Gorman, one of our licensed aestheticians, is skilled in the art of permanent make-up.

Take advantage of her artistry to highlight your facial features and look your best for the holidays! For November and December of 2008, we are offering 25% off of the cost of permanent makeup. This offer will end on December 31st, 2009.
