RENAISSANCE REVIEW

Imagine the Look, Create the Dream...

Come kick off an exciting new 2010-11 seminar season this week!

Our first beachside seminar at the Ritz Carlton Beach Resort takes place on Friday, October 15th, 2010 at noon. Please join us and bring a friend to learn about contemporary approaches to restoring and enhancing the face and body.

Dr. Richard Maloney and Dr. Anurag Agarwal, board certified Facial Plastic and Reconstructive Surgeons, and Dr. Luciano Boemi, board certified by the American Board of Plastic Surgery, will cover techniques to rejuvenate the face and body. There is a Q and A session and an opportunity to meet our doctors at the end of the presentation.

Please call 239-594-9100 to RSVP. We look forward to seeing you!

Combination Broadband Light / Skintyte Treatment to Delay Aging

Skin surface discoloration is ideally addressed by Broadband Light (BBL) photofacial therapy with simultaneous non-invasive skintyte treatments to address fine lines and enlarged pores.

A series of 4-5 monthly treatments and then 1 to 2 maintenance treatments per year can not only treat signs of aging but also delay the skin aging process.
