Introducing the Trifecta Facial!

The Trifecta Facial was designed by our physicians and aestheticians at the Aesthetic Surgery Center as a triple age defense treatment (Dermaplaning, microdermabrasion, vitamin C firming masque).

1. First, dermaplaning is done to remove unwanted hair and peach fuzz.
2. Second, microdermabrasion is performed to exfoliate dead skin cells and create new cell turnover, coupled with a 20% glycolic peel to lower the pH of the skin and tighten pores.
3. The treatment is finished with a vitamin C firming masque to combat the effects of sun damage and reveal glowing, more youthful skin.

Please call us at 239-594-9100 to experience the new therapeutic Trifecta Facial!
