Richard Maloney M.D.
F.A.C.S., Board Certified - Facial Plastic Surgeon
American Board of Facial Plastic and Reconstructive Surgery

Anurag Agarwal M.D.
F.A.C.S., Board Certified - Facial Plastic Surgeon
American Board of Facial Plastic and Reconstructive Surgery

Please join us at the Ritz Carlton beach resort in Naples on Wednesday, November 5, 2014 for an informative seminar about contemporary approaches to restore and enhance the face. Our double board certified facial plastic surgeons, Dr. Agarwal and Dr. Maloney, will review topics such as endoscopic facelifts, laser eyelid surgery, finesse rhinoplasty, the low down time Uplift procedure, laser wash resurfacing, hair restoration, and injectables. Afternoon tea will be offered from 2pm to 3pm, and the presentation begins at 3pm. Please call 239-594-9100 to RSVP or visit our website by clicking the link below...

Reasons to choose an Uplift facelift...

Facelift surgery has certainly come a long way in terms of techniques and varieties. Today's facial plastic surgeons are able to create real anti-aging results through facelift surgery in its many forms. One of the most recent developments in the world of facial rejuvenation is the UpLift facelift, an effective but minimally invasive approach. If you've been considering a surgical intervention to reverse the effects of aging on your own face, there are several reasons to think about an [UpLift facelift](#).

Allergan's SkinMedica® product line replaces Vivite® product line. The SkinMedica® product line is now available at the Aesthetic Surgery Center!

Allergan has launched the SkinMedica® product line, which has replaced the Vivite®/MD Forte® line of products. SkinMedica® offers a complete line of extremely high-quality skin care products that utilize proven skin rejuvenators such as vitamins E and C, retinol, tea tree oil and salicylic acid. Achieve healthier, more youthful skin with the help of SkinMedica®'s superior formulations.

The TNS Recovery Complex System is the first skin care product ever offered that contains Tissue Nutrient Solution, a patented cocktail of naturally occurring proteins, amino acids, and antioxidants your body uses to help your skin recover from sun damage and the effects of aging.

Check out the therapeutic Trifecta Facial!

The Trifecta Facial was designed by our physicians and aestheticians at the Aesthetic Surgery Center as a triple age defense treatment (Dermaplaning, microdermabrasion, vitamin C firming masque).

1. First, dermaplaning is done to remove unwanted hair and peach fuzz.
2. Second, microdermabrasion is performed to exfoliate dead skin cells and create new cell turnover, coupled with a 20% glycolic peel to lower the pH of the skin and tighten pores.
3. The treatment is finished with a vitamin C firming masque to combat the effects of sun damage and reveal glowing, more youthful skin.

Please call us at 239-594-9100 to experience the new therapeutic Trifecta Facial!
