Dr. Anurag Agarwal featured as one of Castle Connolly's top docs in Florida for 2015

The Aesthetic Surgery Center is proud to have Dr. Anurag Agarwal recognized as one of Castle Connolly's Top Doctors in Florida! Castle Connolly's Top Doctors are nominated by peers in and around their immediate community/metropolitan area. These are considered to be the physician leaders in their communities who attract the majority of their patient base from a local population. These Top Doctors' medical educations, training, hospital appointments, disciplinary histories - and much more - are screened by the Castle Connolly physician-led research team. Those doctors who are among the very best in their specialties and in their communities are selected for inclusion. Please join us in congratulating Dr. Agarwal for being selected for this prestigious designation.

**A Touch of Glamour with our December 2015 Holiday
Special for Eyelash Extensions!**

Get ready for those holiday events and parties with a new full set of long, glamorous eyelashes! Sure to make you look fabulous in all your photo ops. From December 1, 2015 through December 31, 2015, enjoy a special price of \$195 for a natural set of eyelash extensions (normally priced at \$250).

Eyelash extensions are used by women to dramatically enhance their look. Technically, eyelash extensions are the process of isolating an eyelash hair and applying an extension to that individual hair. The extensions are applied to the hair, and do not touch the eyelid skin at all. Eyelash extensions can give your lashes a full, long, dark, curled look with absolutely no mascara! After the first initial set is applied, maintenance includes coming in every 2-4 weeks for "fills" to replace any lashes that are loose or have come out due to the natural lash shedding process.

Please call 239-594-9100 to schedule your eyelash extensions with Brittany Napior, one of our licensed aestheticians!
