Sign up for Allergan's Brilliant Distinctions (BD) program to earn rebates off of injectable procedures!

Between now and June 30, 2017, if you are a member of Allergan's Brilliant Distinctions program, you could receive \$100 off of your treatment with Juvederm Ultra™ XC, Juvederm Voluma™ (indicated for cheek augmentation) and Juvederm Volbella™ (indicated for lip lines). This rebate does not apply to Juvederm Vollure™ XC.

These limited time and limited quantity Juvederm Collection patient rebates are good for participating BD patients who receive 1 syringe or more of any Juvederm collection product (excluding Vollure). Patients must receive treatment by 06/30/17. The \$100 discount applies to the total treatment visit, and is not \$100 off per syringe.

Please call 239-594-9100 to schedule your injectable visit with one of our board certified surgeons. All injectable treatments at the Aesthetic Surgery Center are performed by our skilled physicians only!

Dr. Kiran Gill attends the 50th anniversary of the Aesthetic Society of Plastic Surgery in San Diego!

Dr. Gill attended the 50th anniversary meeting of the Aesthetic Society of Plastic Surgery in San Diego, CA this past weekend.

Our surgeons strive to stay up to date with current procedures, products and services so that they are able to better serve you. They also are featured speakers at many national meetings, where they share their valuable insight and knowledge in teaching other surgeons. You can be assured that they will dissect new innovations to see what works and what doesn't (separate hype from reality), in order to provide you with the most effective treatments options. What separates our surgeons from the rest is the emphasis on RESULTS.

## Dr. Agarwal invited to the Allergan Facial Aesthetics Advisory Board Meeting

On April 22nd, Dr. Agarwal attended the Allergan Facial Aesthetics Advisory Board Meeting in Chicago, IL. He was one of 100 physicians from across the United States to be invited to this meeting and was kept abreast of the exciting products and new developments at Allergan. He had the opportunity to reconnect with colleagues from across the country (in this photo he is with Dr. Shervin Naderi, a facial plastic surgeon from Chevy Chase, MD and Dr. Agarwal's former medical school roommate).
