JUVEDERM!

(239)-594-9100

The Aesthetic Surgery Center in Naples has an option for women and men who are unhappy with their lip lines: Juvederm Volbella®. The innovative dermal filler provides a fast, noninvasive way to improve the shape and definition of the lips. Volbella® can restore volume to the lips, create a clear lip border, and soften lip lines (also known as smoker's lines or lipstick lines). There is minimal discomfort or recovery time.

**Rhinoplasty is one of the world's most frequently performed cosmetic surgical procedures. Finesse Rhinoplasty is performed to improve nasal function and to enhance appearance. Improving the internal nasal structure will enable a person to breathe easier. As a person ages, his/her nose becomes longer as the tip drops down (making breathing more difficult). An unattractive nose may actually become dysfunctional as aging progresses.**
