Our Signature Facelift: The Uplift™

This low down-time facelift is ideal for those individuals with sagging tissues along the jawline and upper neck. Dr. Agarwal has modified the traditional lower face and neck lift to develop the Uplift, which he feels offers an ideal solution for tightening the jawline and upper neck.

The Most Popular Reasons to Have Rhinoplasty

Aside from its role in facial balance, there are many different issues that can involve the nose. There are cosmetic concerns, such as the size and shape of the nose, as well as functional concerns, such as breathing problems.

On our latest blog, we go over the reasons our patients come to us for a Rhinoplasty!
