Experience The Advanced Facelift Alternative

Uplift Facelift procedures at Aesthetic Surgery Center are a patient favorite because they offer both natural and youthful results, with less downtime than a traditional Facelift. Using a less invasive approach, the procedure addresses:

- Jowling
- Skin laxity
- Fine lines and wrinkles
- Sagging tissues along the jawline and upper neck

An advertisement for a skin treatment. On the right is a photograph of a smiling woman with glowing skin. On the left, the text reads: 'AESTHETIC SURGERY CENTER' with a logo above it and 'AMANDA B. BARNETT, MD, FACD | RICHARD W. HALL, MD, FACD | LINDSEY GEL, MD, FAHA' below it. The main text says 'thankful FOR HEALTHY SKIN' in a mix of gold script and black block letters. A gold star icon is next to the text. A circular call to action says 'SCHEDULE A REJUVENIZE PEEL WITH OUR SKIN SPA EXPERTS' and includes the phone number '239.594.9100'. The background features a gold glitter pattern in the top right corner.

Giving Thanks For Glowing Skin!

Fall weather drying out your skin? Our skin spa experts at Aesthetic Surgery Center offer the Rejuvenize Peel for patients searching for skin rejuvenation. The skin treatment utilizes peeling agents, with a built in anti-irritant and penetration enhancer. Together, the advanced formulation provides controlled exfoliation. Patients can expect fresh and healthy skin results.

Aesthetic Surgery Center Supporting Our Sole Man: Dr. Ross

We loved seeing sole man Dr. William Ross representing Aesthetic Surgery Center at The Florida Cancer Specialists Foundation's October event! We are so proud to support such an incredible foundation, based right here in Florida!

November Skin Spa Service Feature of the Month: ThermiSmooth

We are proud to be the first to offer ThermoSmooth™ technology in the Naples, Fort Myers, and Marco Island area. What can you expect from the treatment? The advanced skin treatment will be performed by our expert aestheticians using ThermoRF™ Radiofrequency skin tightening technology. By heating the skin, the treatment promotes collagen production and induces skin tightening. Results are visible 2 to 12 months after the series of 4 treatments.
