Have you RSVP'd? Our March seminar is an extra special one because it is the FINAL 2019 seminar until November! Trust us, you don't want to miss out on the anticipated, educational seminar. Taking place at the DeRomos Banquet room in The Promenade at Bonita Bay, the seminar will begin with lunch at 12 pm, and follow with the seminar itself. Attendees can expect to learn everything on the latest cosmetic and plastic surgery trends and techniques. See you there!

BODY CONTOURING RESULTS
TO LOVE

At Aesthetic Surgery Center, we understand our patients' frustrations when stubborn pockets of fat remain, despite diet and exercise efforts. For such patients, Dr. Ross may perform Liposuction. The surgical procedure is designed to remove such fat cells from the body, and create natural body contouring results.

It's so easy to see why our patients are loving the Trifecta Facial at Aesthetic Surgery Center's skin spa. The advanced skin treatment was designed as a triple defense against aging, that involves:

1. Dermaplaning: targets unwanted hair
2. Microdermabrasion: exfoliates dead skin cells and creates new cell turnover

3. A Vitamin C firming masque: targets sun damage and allows for glowing, youthful skin results.

Contact us today to schedule a Trifecta Facial with our skin spa experts and save 10% OFF when you book in March.
