

Body Rejuvenation Treatments

Skin treatments for the body can help to restore a youthful, smooth complexion to your arms, legs, and torso. All too often, skin on the body can lose its healthy glow and can benefit from enhanced cell turnover and moisturization. At the Aesthetic Surgery Center, our aestheticians will perform a Himalayan Crystal Salt Glow first, which will exfoliate and remove any dry, dead skin. This is then followed by a Gemstone Clay Body Mask, in which the clay mud helps with skin hydration, detoxification, and rejuvenation. Both of these treatments are coupled with hot gemstone therapy using the TAJ mat.

The TAJ mat enhances your local circulation and relaxes your muscles and joints. The TAJ MAT uses Hot Gemstones, Far Infrared, Negative Ions, Photon Lights, and PEMF.

TAJ stands for Tourmaline, Amethyst, and Jade.

3 session package for total \$1800 includes:

1. 3 body treatments with both Himalayan Crystal Salt and Clay Body Mask
2. 30 minutes of the TAJ 360 heat wrap (at each treatment)

-
3. **European Facial (at each treatment)**
 4. **Application of Firm & Tone Lotion with express Full Body Swedish Massage**
 5. **Skin Medica Firm & Tone full size lotion for the body is included at no cost to take home for post-treatment care (Value of \$166.00)**

If 1 session of the above treatments is purchased individually, price is \$650 per session (includes the facial, 30 minutes in the TAJ wrap, and the salt/mud body treatment).

The TAJ 360 heat wrap can also be added to any facial treatment for an additional \$100 if desired (without the salt/mud body treatment)
