Facelift revision by Dr. Anurag Agarwal

Facelift revision by Dr. Anurag Agarwal

Can Facelifts be repeated?

In general, a facelift procedure sets the aging clock back about 5-10 years, and the aging process continues from that point forward. Having had a facelift, you will look younger than your chronological age for the rest of your life. Our facelift specialists are accustomed to refreshing prior facelift results with revision surgery.

This 69 year old woman had a prior facelift procedure about 20 years prior but felt that injectables fillers weren't giving the lasting, global improvements she was looking for. She is shown before and 7 months after Dr. Agarwal performed a revision Uplift™ lower face and neck lift with platysmaplasty, revision upper blepharoplasty, fat transfer to the tear troughs and fractional CO2 laser resurfacing of the lower eyelids and lip lines. Notice how her neck and jawline contour have been improved, eyes are more refreshed and lower cheek wrinkles rejuvenated. Dr. Agarwal's goal is to deliver changes you will notice, without a tell tale "plastic" look.

Please call 239-594-9100 to schedule your facelift consultation.

Body Rejuvenation Treatments

Skin treatments for the body can help to restore a youthful, smooth complexion to your arms, legs, and torso. All too often, skin on the body can lose its healthy glow and can benefit from enhanced cell turnover and moisturization. At the Aesthetic Surgery Center, our aestheticians will perform a Himalayan Crystal Salt Glow first, which will exfoliate and remove any dry, dead skin. This is then followed by a Gemstone Clay Body Mask, in which the clay mud helps with skin hydration, detoxification, and

rejuvenation. Both of these treatments are coupled with hot gemstone therapy using the TAJ mat.

The TAJ mat enhances your local circulation and relaxes your muscles and joints. The TAJ MAT uses Hot Gemstones, Far Infrared, Negative Ions, Photon Lights, and PEMF.

TAJ stands for Tourmaline, Amethyst, and Jade.

3 session package for total \$1800 includes:

1. 3 body treatments with both Himalayan Crystal Salt and Clay Body Mask
2. 30 minutes of the TAJ 360 heat wrap (at each treatment)
3. European Facial (at each treatment)
4. Application of Firm & Tone Lotion with express Full Body Swedish Massage
5. Skin Medica Firm & Tone full size lotion for the body is included at no cost to take home for post-treatment care (Value of \$166.00)

If 1 session of the above treatments is purchased individually, price is \$650 per session (includes the facial, 30 minutes in the TAJ wrap, and the salt/mud body treatment).

The TAJ 360 heat wrap can also be added to any facial treatment for an additional \$100 if desired (without the salt/mud body treatment)
