Meet Dr. Jason Dudas

Aesthetic Surgery Center is proud to welcome Dr. Jason Dudas to their team of plastic surgeons. Dr. Dudas performs the full spectrum of hair restoration

surgery, devoting 100% of his practice at Aesthetic Surgery Center to FUE and FUT hair transplant surgery, as well as hairline lowering forehead reduction.

Dr. Dudas has been in practice for 11 years and has performed nearly 1000 hair transplant and hairline lowering surgeries. His credentials are impeccable:

Triple Board Certification:

1. American Board of Plastic Surgery
2. American Board of Facial Plastic and Reconstructive Surgery
3. American Board of Hair Restoration Surgery

Bachelor of Arts: University of Pennsylvania, 2002

Doctor of Medicine: University of Pittsburgh School of Medicine, 2007

Plastic Surgery Residency: Washington University, St. Louis, MO, 2007-2012

Facial Plastic and Reconstructive Surgery Fellowship: University of California, San Francisco, 2012-2013

At the Aesthetic Surgery Center, our core belief is that specialization matters in plastic surgery. Each of our physicians have specific skill sets and by performing procedures in that discipline on a regular basis, they deliver consistent excellent results. Dr. Dudas understands that hair restoration requires a personalized strategy, and that hair transplant surgery is not a “one size fits all” procedure. He is able to offer each patient the specific procedure that will best meet their individual needs and goals, and consults on even the most complex hair restoration challenges.

Dr. Dudas is now accepting appointments for hair restoration consultations, both virtual and in-person. Please call 239-594-9100 to make your appointment and help us welcome this seasoned professional to our family.
